RULES.

1. A warrant for the levy of a fine issued under clause (a) of sub-section (1) of section 386 of the Code of Criminal Procedure, 1898 (hereinafter referred to as the Code), shall be directed to a Police officer and shall be in Form No. XXXVII of Schedule V to the Code.

2. The authority issuing the warrant shall specify a time for the sale of the attached property and for the return of the warrant.

3. (1) The attachment of movable property belonging to the offender shall be made by seizure.

Provided that, where, in addition to or in lieu of seizure, the police officer considers that either or both of the methods referred to in clauses (a) and (b) of sub-section (3) of section 83 of the Code, should be adopted, he shall obtain an order to that effect from the court issuing the warrant.

(2) When the method referred to in clause (b) of sub-section (3) of section 83 of the Code is adopted and a receiver is appointed, the powers, duties and liabilities of such receiver shall be the same as those of a receiver appointed under Order XL of the First Schedule to the Code of Civil Procedure, 1908.

4. Before making the attachment, the Police officer shall deliver or tender a copy of the warrant to the offender or, in his absence to any adult male member of his family. If a copy cannot be so delivered or tendered, the Police officer shall affix a copy of the warrant at some conspicuous place where the property to be attached is found. After making the attachment the Police officer shall, in like manner, deliver, tender or affix, as the case may be, an inventory of the property attached.

5. If no claim is preferred to any property attached, within one month from the date of the attachment, by any person other than the offender, the Police officer executing the warrant shall have power to sell, within the time mentioned in the warrant and without previous reference to the court issuing the warrant, the property or such portion thereof as may be sufficient to satisfy the amount to be levied.

6. If any claim is preferred to any property attached under rule 3 within one month from the date of such attachment, by any person other than the offender, on the ground that the claimant has an interest in such property and that such interest is not liable to attachment, the claim shall be enquired into and disposed of as provided in rules 7 to 9:

Provided that any claim preferred within the period allowed by this rule may, in the event of the death of the claimant, be continued by his legal representative.

7. Claims may be preferred under rule (6) in the court by which the warrant is issued or if the claim relates to property attached under a warrant endorsed by a District Magistrate or the Chief Presidency Magistrate under section 367 of the Code, in the court of such Magistrate.

8 Every such claim shall be enquired into and disposed of by the Court to which it is preferred:

Provided that, if preferred in the Court of a District Magistrate or Chief Presidency Magistrate, such Magistrate may make it over to any Magistrate of the first or second class or to any Presidency Magistrate, as the case may be, subordinate to him.

9 The enquiry shall be summary and the court shall record its decision on the claim with the reasons therefor. Such decision shall be final and shall forthwith be communicated to the Police officer executing the warrant who shall dispose of the property in accordance with such decision.

10. The Police officer executing the warrant shall, as soon as possible after the sale, produce the sale-proceeds before the court issuing the warrant or if the property was sold under a warrant endorsed by a District Magistrate or the Chief Presidency Magistrate under section 367 of the Code, in the court of such Magistrate.

(1) The villages in the Agency tracts specified in schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiris district and the Wynaad taluk, Anjengo, Tangassery and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shop-keepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack;

(c) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper in whose shop the toddy is to be taken;

(d) of tree owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district and in the Bapatla and Repalle taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory, in the Civil and Military Station, Bangalore, and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and of toddy renters in the Cochin State; and

(g) of any member of a hill tribe whether a tree-owner or not, residing in Simhachalam, Adavivaram, Madhuravada, and Mudasarlova villages of Vizagapatam taluk or in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (d) and (e), the licences may be issued in the name of the applicant himself or of his nominee, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (e) the tree tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the applications and fees are presented to these officers. Pudukkottai renters, when applying for trees in British territory, must

pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T. T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier. The procedure for the marking of trees in British territory for toddy shops in the Civil and Military Station, Bangalore, will be similar to that laid down for the marking of trees in British territory for Mysore shops.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore and the Civil and Military Station, Bangalore, for the supply of toddy to their shops on payment of the whole of the tree tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Koilkuntla Sub Treasury, the rate being the same as in the Kurnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in force in the Cochin State. The licences and permits issued to the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable on tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dudmal (*Areca Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th

September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—
